

BUSINESS MADE EASY

*We'll show you how*

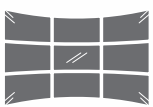

# SEEING IS BELIEVING!

In GCG, we offer you the most technologically advanced, reliable, and high-quality AV systems to enhance your experience

**Video Walls**

**Cinema Video System**

**Multi-Purpose LED Signage**

**Conference Room**

**Interactive Smart Boards**

## Ideal for:

- Presenting in a small meeting room or in a conference hall.
- Speaking via video link to a colleague on the other side of the world.
- Enjoying close ups of the action on a giant screen at a football match.
- Pursuing a course of study via distance learning.
- Viewing an interactive video wall in an art gallery.

# VIDEO WALLS

## Stretch Your Imagination

Wherever they're placed, video walls are the centerpiece of attention. People can hardly be blamed as they are capable of incredibly eye-catching visual designs on a scale that no other technology can match.

### We offer you:

- World Slimmest Video Wall Bezels (0.88 mm)
- Easy installation & setup
- UHD content support
- Complete monitoring and control
- Cost effective Video Wall displays using UHD Loop out

Our team will work with your desired outcome to place video walls where they'll have the biggest impact. We also have access to the world's slimmest and biggest Video Walls.
